Internship Offer Letter

Student Name : Sirisha Maragada
Stream : B.Tech
Branch : B.Tech(Artificial Intelligence and Machine Learning)
Institute Name : Gayatri Vidya Parishad College of Engineering (Autonomous)
Internship Domain : Zscaler Zero Trust Cloud Security
Internship Duration : June 2026 - August 2026
AICTE Student ID : 324103382029

We are pleased to inform you that you have been selected for the 8-Week **AICTE – EduSkills Virtual Internship Program**.

During this internship, you will learn and demonstrate industry-relevant skills that will enhance your employability and strengthen your confidence in the subject area.

The program is designed to provide structured learning combined with practical exposure.

Internship Structure & Evaluation:

- The internship will follow a **week-wise structured learning plan**.
- You will be required to complete **weekly assessments** to track your progress and understanding.
- Certain modules will require submission of **project documentation and assignments**.
- In the final week, you must appear for a **Final Assessment Test**.
- The final grade will be based on your overall performance, including weekly assessments, project submissions, and the final test.

Upon successful completion of all required steps and assessments, you will be awarded a **Virtual Internship Certificate**.

Please note that this offer letter will be considered valid only after the successful completion of the internship program and fulfillment of all assessment requirements, including obtaining the final completion certificate. Without the final completion certificate, this offer letter shall not be treated as a valid document for any official purpose.

The week wise Structure of the Internship is as Follows:

Week	Module	Description
Week 1	Fundamentals of Cybersecurity (EDU-102)	Cybersecurity fundamentals, threat landscapes, attack types, safety practices, Perimeter and Zero Trust models, Zscaler Zero Trust Exchange.
Week 2	Assessment to evaluate understanding of cybersecurity basics.	
Week 3	Zero Trust Cyber Associate (ZTCA)	Fundamentals of zero trust architecture and key elements.
Week 4	An Overview of Zero Trust	Digital transformation, identity verification, access control and policy enforcement.
Week 5	Zero Trust Architecture Deep Dive Introduction	Overview of Zero Trust concepts and foundational elements.
Week 6	Control Content and Access	Assessing risk, preventing compromise, and preventing data loss.
Week 7	Zero Trust Section 3: Enforce Policy	Enforce policies and secure application connections.
Week 8	Zero Trust Architecture Deep Dive Summary	Recap of Zero Trust principles and implementation best practices.
Final Credential Validation / Internship Grade Point Assessment		

Note: There is no stipend associated with this internship.

We congratulate you on your selection and wish you a successful learning journey.
